AN ORDINANCE

Relating to Estrays and the City Estray Pound.

SECTION 1.—Be it ordained by the City Council of Salt Lake City that: Part of Lot 3, Block 38, Plot "A," Salt Lake City survey, situate and being on the south side of the public grounds known as "Washington Square," in the First Municipal Ward, is hereby designated as the City Estray Pound, for impounding animals running at large or doing damage within the corporate limits of said city, as hereinafter provided.

SEC. 2.—It shall be the duty of the City Pound-keeper to receive and take care of all animals committed to his charge and provide all necessary forage therefor, and use due diligence to find the owners of said animals, by examining the record of Marks and Brands and otherwise, and receive and file all bills of damage duly presented and enter the amounts in the pound book, which shall be open to the inspection of the public; he shall not deliver any animal to the owner until all costs and damages are paid or satisfactorily arranged for.

SEC. 3.—The City Pound-keeper shall register, in the pound book, all animals delivered to him for commitment, which registration shall set forth when received, from whom, where found, amount of damage done, kind of animal, approximate age, color, marks, brands, and such other description as may aid the owner to identify his animal, a true copy of which the Pound-keeper shall forthwith post up on the outside of the entrance door of said pound.

SEC. 4.—All animals remaining unclaimed three days from the time of commitment shall be advertised for sale by the Pound-keeper not less than three times, in some newspaper published in said city having general circulation, stating the time and place of sale, and giving a description of said animals as directed in Section 3 of this ordinance, and that if not claimed and taken away within ten days from the date thereof, he will expose them at public sale and sell them to the highest responsible bidder.

SEC. 5.—The net proceeds of the sale of all animals, made in pursuance of Section 4 of this ordinance, shall be paid into the city treasury, subject to the order of the owners of said animals, if applied for within six months from the date of sale; if not applied for by the owners within that time the City Treasurer shall place the amount to the credit of city revenue.

SEC. 6.—No cattle, horses, mules, sheep, goats or swine shall be allowed to run at large or be herded, picketed or staked out upon any street, sidewalk or other public place within the limits of this city; and all such animals so found may be taken up and driven to the estray pound. Provided, that nothing herein shall be so construed as to prevent any citizen from herding milch cows, work cattle, horses, mules or other animals on the unenclosed public lands within the city but away from settled portions thereof.

SEC. 7.—All damages done by any animal trespassing shall be forthwith applied for by any interested person, who may make a reasonable charge for such service, and shall set forth in such appraisal, in writing, the time and place of damage, the amount of damages, together with his charges, the name of the owner of the animal, if known, the name of the person so damaged; also the kind and description of the animal, which appraisal, if not paid or satisfactorily arranged by the owner, or if the owner be not found, shall, together with the animal, be delivered to the City Pound-keeper. Provided, that if the owner deem the appraisal too high, said owner may choose another appraiser, who, with the first, may make a new appraisal; or when they cannot agree, they two may choose a third, and the three may proceed to make a final appraisal.

SEC. 8.—Any animal found doing damage may be taken up by any person, and if the owner cannot be found, or if found shall refuse to pay all costs and damage, said animal may be taken forthwith to the city pound, and delivered to the keeper thereof, and may be held and sold as provided in Section 4 of this ordinance unless previously redeemed.

SEC. 9.—Any person other than the City Pound-keeper taking up an animal, under the provisions of this ordinance, and retaining it more than twenty-four hours, shall, on conviction, be liable to pay a fine of five dollars, and shall lose all damages that may have accrued thereon.

SEC. 10.—Any person taking his own animal or that of any other person out of the custody of a person holding the same for damages done by it, or out of the city pound, by stealth, or by force, or who shall interrupt or hinder any one while in the discharge of his duty, under the provisions of this ordinance, shall be liable to a fine in any sum not exceeding \$100, or imprisonment not to exceed one hundred days, or both fine and imprisonment.

SEC. 11.—Any person who shall maliciously or mischievously secrete or impound the animal of another, or who shall maliciously or mischievously aid and abet therein, shall, on conviction, be liable to a fine in any sum not exceeding \$25 for each offense.

SEC. 12.—The Pound-keeper's fees for impounding, registering and posting up notice shall not exceed \$1 per head for horses, mules or cattle, nor 25 cents for calves, goats, sheep and swine. Fees for feeding animals shall be governed by the price of forage in the city market at the time of feeding the same. Fees for advertising shall not exceed a reasonable compensation therefor. All said fees shall be retained by the Pound-keeper for his compensation and the payment of all costs that may have accrued.

SEC. 13.—It shall be the duty of the Pound-keeper to keep books, in which he shall keep an accurate account of all receipts and disbursements, and shall make a full and detailed report of his proceedings to the City Council quarterly, stating therein the number of animals impounded, the number of animals sold, to whom sold, and the amounts received therefor, the amounts received and paid for forage, advertising and sale, and shall pay over to the City Treasurer all funds remaining in his hands belonging to the corporation.

THE VAST NUMBERS OF EUROPEAN EMIGRANTS who are constantly arriving at this port, and had not, before their departure from home, been subjected to the use of GLENN'S SULPHUR SOAP, exhibit a marked contrast with the Americans who have had opportunities to resort to that valuable remedy for Skin Diseases and other ailments to which they are now rendered impervious by its use in the warm bath, where every person should not fail to employ it.
